Kidnap Breakfast Is Gala Affair in Laughon Patio

Kidnaping Torrance Woman's Club members and their friends as guests for a "come as you are" breakfast Thursday morning, Mrs. B. T. Whitney and her committee transported them to the lovely patio at the home of Mrs. W. I. Laughon, club president. There a waffle breakfast was served to more than 100 by Mrs. Laughon, her mother Mrs. L. Ahrens, Mmes. C. M. Crook, Charles Sutton and John T. Oursler.

Assisting Mrs. Whitney on the transportation committee were Mesdames Dean L. Sears, R. J. Rogers, R. E. Oisen, G. J. Derouin, Paul H. Loranger, Grove C. VanDeventer, H. E. Massie, Earl A. Miles and Arthur Bingham.

"Kidnaped" guests were discovered in a wide range of morning attire including dainty negligees, slacks, crisp cotton dresses, shorts. The kidnapers interrupted many young mothers in the early morning care of their progeny, but without exception, mothers, their dresses bedecked with safety pins, tucked their babies under their arms and responded to the invitation.

Proceeds, for this first of the year's ways and means activities, will add a substantial sum to the club treasury. Next on Mrs. Whitney's list of ways and means projects is a bingo booth, the club's participation in the Factory Frolic Sept. 15-19.

Mrs. Cressey Entertains Lomita PTA Board Members

The home of Mrs. D. J. Cressey, president of Lomita Elementary P.T.A., on 248th street was the attractive setting for a get-acquainted meeting for members of the P.T.A. executive board Thursday.

A contest was announced for naming the P.T.A. Newslette, the monthly news bulletin with Mrs. F. L. Markley, 2112 W. 248th street in charge. A year's subscription to the Parent-Teacher magazine will be offered for the winning name. Mrs. Markley can be reached at Lomita 1463-J.

A paper drive will be held in October and all members are asked to save paper for the event.

Walteria PTA

The executive board meeting of Walteria P.T.A. was held at the home of Mrs. George Olding, 3650 Newton street, last Thursday. The results of the calendar parties reported by Mrs. Paul Barth was most gratifying. All sections of Walteria School District turned in excellent accounts of their work.

The membership drive and the fall carnival are the next big projects ahead of the group. If the result of these projects compares with the calendar party success, our banners will still fly high. There is much need for child care, and in order that we have money to carry on this need, every mother is asked to do all of the work she can in connection with these special events to raise funds for the cost of these events, and the net result to the child welfare fund.

Those who enjoyed the hospitality of Mrs. Olding were Mrs. George Powell, Mrs. Sam Dale, Mrs. Ray Johnston, Mrs. Arthur Hackney, Mrs. E. W. Jeffrey, Mrs. Byron Johnson, Mrs. Genevieve Simpson, Mrs. Paul Roettner, Mrs. Paul Barth, Mrs. Carl Cramer, Mrs. Eva Kelley, Mrs. R. Wilcox, Mrs. Dan Bessmer, Mrs. Dale Wands and Mrs. Mitchell, who was president last year.

Legion Auxiliary Is Represented at Redondo Meet

Officers and chairmen of the American Legion Auxiliary, 10th District, were guests of South Bay unit when their president, Alice Newbanks, entertained with a "thank you" luncheon recently. The clubhouse in Redondo Beach, with flower-decked tables, made a delightful setting to welcome these women who have given so much of their time to others.

Hospital and patients' welfare, rehabilitation, child welfare, community service, junior activities, education, girls' state, Americanism chairmen, all are a part in the promotion for better living for the veteran and his family. More than 7500 letters were reported by hospital workers throughout the district, which extends from Whittier to Long Beach and El Segundo to Norwalk, the largest district in the state.

Representing the Auxiliary of Ber S. Crossland Post No. 170 were Mrs. Evelyn Sears, outgoing president; Mrs. Roxie Sleeth, 19th district motion picture chairman.

Among the items reported are more than 12,000 hours in welfare of hospital patients, at Sawtelle, Brentwood and Navy Hospital. Gifts numbered 775 at Christmas time, which the patients selected items to send to their families, at no cost to themselves; Christmas cheer parties totaled \$2420 and gifts to the veterans themselves, another \$1886. More than 12,000 articles were made, these valued at \$9,000. More than \$18,000 was donated for Community Betterment and time given in donation of plastic lung and audimeter was more than 5,800 hours. The sum of \$500 for text books for the hospital library and four Walker chairs also were presented for the use of paralytics. These went to the Navy Hospital at Long Beach.

All these achievements will be included in the report submitted at the annual state convention at San Francisco this week. Both district and local officers will attend.
